Subject: Infrastructure Video link.

Dear Sir/Ma'am,

We Mother India Public School, Line Bazar, Gopalganj, applied for affiliation with CBSE vide Application No. – SL-90837-2324. As demanded, we have uploaded the video link of infrastructure as per instruction given on call. Now, we are unable to install Exhaust fan in Composite Science lab but we assure that we will install in 2-3 days. Because earlier we were unaware from this. Another as per query received about temporary setup of lab and library, we assured about that the all the labs, Computer lab and Library is constructed as per the norms only partition with Permanent panel. (If required we will change with Concrete wall).

Please consider our request we will always oblige for this kind consideration.
